**(author) Malin Nilsson (author) Camilla Arvidsson : Concrete Garden Projects: Easy Inexpensive Containers, Furniture, Water Features More (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Concrete Garden Projects: Easy Inexpensive Containers, Furniture, Water Features More (Paperback) - Common:

If you like making things for your garden, you will love concrete. Durable, beautiful and inexpensive, it is also surprisingly simple to work with. Best of all, it weathers elegantly, softening around the edges to become more picturesque with age.
