Homebuilding Renovating Magazine : Contemporary Homes 3: Inspirational Individually Designed Homes

before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Homes 3: Inspirational Individually Designed Homes:

Beautifully designed and printed on high quality paper, this is both a coffee table book to be admired and a practical guide explaining the stories of how the houses were built and conceived. The book features stunning photographs from the thirty-nine individually designed homes which are showcased.
