FunkFor granddaughter, who interned for Kelly Wearstler this past summer. 0 of 0 people found the following review helpful. Four Stars By Michael Van Oosten Loved Hue so much I went back and bought this. fascinating to see her style evolve. 4 of 4 people found the following review helpful. Lackluster book, buy Modern Glamour instead. By H. Durden I loved her first book and was excited to receive the second but I was very disappointed. I quickly sold it. When the first book had various ideas, this one only shows a few rooms from her own estate. The house is set up to sell her as a decorator and she poses in various gowns on every 10th page. Sort of blah.

An acclaimed interior designer and author of the Los Angeles Times bestseller *Modern Glamour*, Kelly Wearstler presents sumptuous photographs of one of her most incredible design achievements yet -- her family home, the Hillcrest Estate. With her impeccable taste, fearless technique, and discerning eye for color, shape, pattern, and texture, Kelly Wearstler's status as an internationally acclaimed interior designer is unparalleled. With buoyant ease, she will confidently cover walls in iconic graphics, select a captivating animal figure as a focal point, or add a lush expanse of contrasting color to an otherwise monochromatic space. Combining grace and flawless skill, she can change a simple room into a work of art. Her home is no exception. *Domicilium Decoratus* reveals the most private and challenging undertaking of her career: her family's timeless, astonishingly designed residence. Originally published as a limited-edition book, *Domicilium Decoratus* features breathtaking photography of Wearstler's very personal design achievement. Readers' imaginations can wander through this personal haven -- from its fourteen-foot ceilings and windows, walls of glass and layers of warm, opulent color, to its witty details, sophisticated materials and finishes, and ornate collection of artifacts gathered from five continents over many years of travel. Hillcrest Estate is a tour de force, confirming Wearstler's place as an interior designer of consummate skill and singular flair. *Domicilium Decoratus* discloses her personal masterpiece -- a private and enchanting domestic hideaway. Kelly Wearstler is the author of *Modern Glamour* and the founder of the Los Angeles architectural interior design firm kwid (Kelly Wearstler Interior Design). Her designs for the trendsetting Viceroy resorts from California to the Caribbean; such taste-making hotels as Maison 140 and Avalon; unique office, retail, and leisure spaces, including BG restaurant and lounge in Manhattan's Bergdorf Goodman; and upscale residences such as the Trousdale Estate have been profiled in *House and Garden*, *House Beautiful*, *Interior Design*, *Elle Decor*, *Vogue*, and *W*. Wearstler is also designer of her own kwid line of furnishings and accessories. She lives in Beverly Hills with her husband, hotelier Brad Korzen, and their sons.
